**casafacile** Le mani di Lorenzo Quinn (figlio di Antony) che sorreggono simbolicamente Ca' Sagredo

#venice #venezia  
Mani giganti in Canal Grande. l'installazione "sorregge" Ca' Sagredo

„Le mani - si legge nella descrizione dell'opera - sono strumenti che possono tanto distruggere il mondo quanto salvarlo, e trasmettono un istintivo sentimento di nobiltà e grandezza in grado anche di generare inquietudine, poiché il gesto generoso di sostenere l'edificio ne evidenzia la fragilità”.

denizenmagazine Artist Lorenzo Quinn just finished the installation of a monumental sculpture for the 2017

@venice.art.biennale. Titled Support, the piece depicts a pair of gigantic hands rising from the water to support the sides of the Ca' Sagredo Hotel, a visual statement of the impact of climate change and rising sea levels on the historic city.
